

The Making of "the Dutch Participation Society"

Tuesday 6th off May 14.00 pm

**Change of
working
process and
attitude of
professionals**

Professionals in addressing the key question

How do professionals
"help people to help
themselves"

**You don't want to
miss this. The game of
the day, make or break.
An exciting game, a
real WORKshop, you
have to run for your
own answers.**

**Ownership
of
social
issues
by
civil
society**
